SUMMARY

I graduated from Chandigarh Engineering College in Electronics and Communication Engineering in 2021. I am employed as Programmer Analyst in Cognizant. My tech stack is Dotnet and Angular. Currently I am trying to improve my problem solving abilities in Data Structure and Algorithm as I aspire to join a product based company for better roles and opportunities.

EDUCATION

Chandigarh Group of Colleges - Landran – 2021
B.Tech
CGPA/Aggregate: **7.98**

EXPERIENCE
